

# SPARE PARTS COMBINATION DISPLAYS

ITEM	MODEL	ITEM NO.	PRICE IN EURO
<b>Chilled Display case</b>			
Evaporator (height 120 x depth 300 mm)	KGU 120, KGW 127, WK G-80, DOUBLE 80	393 100	245,-
Evaporator (height 120 x depth 300 mm)	KGU 152, KGW 160, WK G-112, DOUBLE 112	393 101	386,-
Evaporator (height 120 x depth 300 mm)	WK G-145, DOUBLE 145	393 102	513,-
Evaporator (height 120 x depth 300 mm)	SWITCH 88	393 110	281,-
Evaporator (height 120 x depth 300 mm)	SWITCH 128	393 111	501,-
Evaporator (height 180 x depth 300 mm)	Snacky WK 148	393 132	741,-
Evaporator (height 180 x depth 300 mm)	Snacky WK 189	393 133	1.018,-
Evaporator (height 70 x depth 280 mm)	DOUBLE 80	393 123	238,-
Evaporator (height 70 x depth 280 mm)	DOUBLE 112	393 124	373,-
Evaporator (height 70 x depth 280 mm)	DOUBLE 145	393 125	495,-
<b>Electric parts</b>			
Electronic control unit (without s/s housing)	for all models (COLD section)	393 290	487,-
Display for control unit – COLD Thermostat	for all models (COLD section)	393 294	243,-
STÖRK Energy-/Electronic HOT Thermostat	for HOT section DOUBLE, WK, Switch, KGW und Snacky WK	722 212	413,-
Thermal cycling switch EGO	for HOT section KGW and Snacky WK until 05/2011	722 215	83,-
Control lamp – green (On/Off) – for thermal switch	for HOT section KGW and Snacky WK until 05/2011	722 220	13,-
Control lamp – red (heating) – for thermal switch	for HOT section KGW and Snacky WK until 05/2011	722 221	13,-
Dimmer (control), for Infrared heater 500 W	for HOT section KGW, Switch and Snacky WK	500 509	136,-
Main switch ON/OFF	for HOT section KGW, Switch and Snacky WK	193 059	17,-
Fan 24 volt (1,2 watt)	for models from 01/2010	393 005	203,-
Fan 24 volt (5 watt)	for models until 12/2009	393 007	203,-
Fan for condenser	for all models (COLD section)	393 009	195,-
Temperature probe (-50°C til +150°C)	for HOT section DOUBLE, WK and Switch	393 296	77,-
Temperature probe (Defrosting sensor – yellow)	for all models (COLD section)	393 295	40,-
Temperature probe (Room sensor – black)	for all models (COLD section)	393 298	40,-
<b>Lighting fixture with built-in electronic ballast, without fluorescent lamp</b>			
Lighting fixture T5 – 14 watt	Cold section for KGU 120, KGW 127, Double 80, Switch 88, Snacky WK 148	393 211	170,-
Lighting fixture T5 – 21 watt	Cold section for KGU 152, KGW 160, Double 112, Switch 128, Snacky WK 189	393 212	228,-
Lighting fixture T5 – 28 watt	Double 145 (Cold section)	393 213	284,-
<b>Fluorescent lamp T5</b>			
Fluorescent lamp 14 watt	see above – lighting fixture T5 – 14 watt	393 216	37,-
Fluorescent lamp 21 watt	see above – lighting fixture T5 – 21 watt	393 217	37,-
Fluorescent lamp 28 watt	see above – lighting fixture T5 – 28 watt	393 218	37,-

ITEM	MODEL	ITEM NO.	PRICE IN EURO
<b>Lighting fixtures TL-D</b>			
Fluorescent lamp 18 W – TL-D Xtra Secura 18W/830	for WK G-80 and WK G-112	721 250	127,-
Fluorescent lamp 36 W – TL-D Xtra Secura 36W/830	for WK G-145	721 251	127,-
Lamp holder G13	for all WK models	721 500	6,-
Lamp holder G13 with starter holder	for all WK models	721 501	10,-
Magnetic choke (ballast) EC18W	for WK G-80 and WK G-112	721 531	20,-
Magnetic choke (ballast) EC36W	for WK G-145	721 532	21,-
Starter S2, 4-22W	for WK G-80 und WK G-112	721 520	4,-
Starter S10, 4-65W	for WK G-145	721 521	4,-
<b>Heat sources</b>			
Infrared heating lamp (500 Watt), dimmable	KGW, SWITCH, Snacky WK (Hot section)	500 515	207,-
Quartz-Infrared heater (350 Watt)	WK G-80, Double 80 (Hot section)	500 500	192,-
Quartz-Infrared heater (450 Watt)	WK G-112, Double 112 (Hot section)	500 501	220,-
Quartz-Infrared heater (600 Watt)	WK G-145, Double 145 (Hot section)	500 502	250,-
Heating element for base deck (200 Watt)	for Snacky WK models	500 560	432,-
Heating element for base deck (500 Watt)	for Snack-Line Switch 88	500 550	752,-
Heating element for base deck (600 Watt)	for Snack-Line Switch 128	500 551	964,-
Heating element for base deck (750 Watt)	for all KGW models	500 561	592,-
<b>Glass shelves – black enamelled glass</b>			
Glass shelf (depth 415 mm)	for WK 80 models	393 921	213,-
Glass shelf (depth 415 mm)	for WK 112 models	393 923	233,-
Glass shelf (depth 415 mm)	for WK 145 models	393 925	250,-
Glass shelf (depth 415 mm)	for KGW 70 models	393 914	195,-
<b>Glass deck – black enamelled glass</b>			
Glass deck – black enamelled glass	for WK 80 models	393 910	211,-
Glass deck – black enamelled glass	for WK 112 models	393 911	250,-
Glass deck – black enamelled glass	for WK 145 models	393 912	291,-
Glass deck – black enamelled glass	for all Snacky WK, Hot section	393 915	176,-
CERAN deck	for Snack-Line Switch 88	393 916	238,-
CERAN deck	for Snack-Line Switch 128	393 917	274,-
CERAN deck 1/1	for all KGW, Hot section	393 920	270,-

ITEM	ITEM NO.	PRICE IN EURO
<b>Valves</b>		
Expansion valve for Refrigerant R 134a	193 062	88,-
Expansion valve for Refrigerant R 404A	293 068	88,-
Solenoid valve Type EVR	193 064	165,-
<b>Miscellaneous</b>		
Fixing for side glass panes (old models until 06/2009 – with posts)	393 071	66,-
Fixing for side glass panes – shim made of durex, transparent (for new models from 07/2009)	393 073	23,-
Clasps for hinged doors	393 072	22,-
Hinge for hinged doors	393 022	34,-
Handle	393 024	26,-
Rollers for sliding door	393 025	25,-
<b>Base decks and divisional bars for GN pans: *)</b>		
Support bar for base decks GN-Size 325mm/ per piece		34,-
Base deck – GN 1/1 size (532 x 325mm)		69,-
Divisional bar lengthwise (middle) 535 mm		34,-
Divisional bar lengthwise (outside) 535 mm		34,-
Divisional bar cross 325 mm		26,-

**Example:** Type 112

\*) **Only required**, if smaller container than GN 1/1 size should be used.

GN 1/1: no divisional bar needed

GN 1/3 + GN 1/2: divisional bar lengthwise

GN 1/6 + GN 1/9: divisional bar lengthwise +  
divisional bar cross

Type 80: 2 divisional bars (lengthwise outside) +  
1 divisional bar (lengthwise middle)

Type 112: 2 divisional bars (lengthwise outside) +  
2 divisional bars (lengthwise middle)

Type 145: 2 divisional bars (lengthwise outside) +  
3 divisional bars (lengthwise middle)

Type 177: 2 divisional bars (lengthwise outside) +  
4 divisional bars (lengthwise middle)
